Gauge:

Gauge is not important in this pattern. You may use other weights of yarn. Adjust hook size to fit your needs.

Heart:

Note: the heart is worked from the top down, first by making the two humps, then joining them to complete the rest of the heart.

Top of Heart (Make 2):

Make a magic ring

R1: 6 sc into ring (6 sts). Work in rounds.

R2: 2 sc in ea st (12 st)

R3: *sc in next st, 2 sc in next. Repeat from * around. (18 st)

R4-5: sc around (18 st).

For first hump, slip stitch to next stitch, then fasten off, leaving a 6" strand for sewing later.

THEN, repeat through round 5 for the second hump, marking the last stitch of the round with a stitch marker. After round 5, do NOT slip stitch or fasten off, continue as follows:

In Row 6, we join the two humps together and single crochet around as follows:

R6: Pick up the first hump piece with the last stitch of that round facing you. Work a single crochet into the first stitch of that round, making sure to leave the long fastened off yarn hanging free on the outside of your work, between the joining point of the two humps. Then single crochet around the remaining 17 stitches in the first piece. Then single crochet into the next stitch on the other hump and continue to work single crochet stitches in every stitch around that hump. (36 stitches and both pieces are joined together).

There will be a small hole between the 2 humps which you will stitch closed later, but for now just continue to crochet with the strand hanging free until instructed to sew it closed.

R7: *sc in next 4 st, (sc2tog). Repeat from * around (30 st)

R8: sc around (30 st)

R9: *(sc2tog), sc in next 13 st. Repeat from * once (28 st)

R10: *(sc2tog), sc in next 5 st. Repeat from * around (24 st)

R11: sc in next 2 st, *(sc2tog), sc in next 4 st. Repeat from * around. Sc in last 2 st in round. (20 st)

R12: *(sc2tog), sc in next 3 st. Repeat from * around (16 st)

R13: *(sc2tog), sc in next 2 st. Repeat from * around (12 st)

Thread a tapestry needle with the fastened off strand and carefully sew the hole in between the 2 humps of the heart closed and weave in the end on the inside of the heart. Then start stuffing the heart with poly fil and continue to stuff as the last rows are completed.

R14: *sc in next 2 st, (sc2tog). Repeat from * around (9 st)

R15: sc in next st, (sc2tog). Repeat from * around (6 st)

Stuff heart the rest of the way, making sure to maintain the heart shape.

R16: (sc2tog) around (3 st). Fasten off, weave in through the last stitches, cinch close and weave in the ends.
