

MEN'S PILGRIMAGE

Harrow, Hillingdon and friends

to
the Shrine of Our Lady
of Walsingham

30th January 2026
to 1st February 2026

We'll be thinking about our Christian faith and the transforming effect it can have on our lives.

We'll also have the space and time to relax in each others company or seek some solitude if that's what we need. We'll have time to think together, to talk and to pray. We eat and drink together (the local beer is excellent), we worship and find time for some silence too.
